

# A woman's story of empowerment in a man's world...

**Where there's smoke,  
there's fire, and  
she's igniting!**

This is the story of one woman's journey of braving the flames, to ultimately rising from the ashes, finding her own empowerment in a man's world. Join her on her journey as she not only changes a system but also shares her process of becoming a firegal, a force that is inextinguishable!
